

**136th Annual
Labor Day Association Parade
Monday, September 5, 2022
9AM Central
Boonville, IN**

We would be honored with your participation in helping us celebrate our Annual 136th Labor Day Association Parade!

For our Participants:

Please arrive between 7:00am and 8:00am to allow for adequate time for placement and setting of all participants.

Buses run from 7:00am and 9:00am/11:00am and 12:00pm

Judging of all participants will begin at 8:00am Sharp.

Parade will start at 9:00am Sharp.

There is NO stopping the parade once started.

**PLEASE MAKE SURE YOU BRING PLENTY OF WATER OR
GATORADE FOR EVERYONE, IT MAY BE VERY HOT!**

We will make every effort to make sure there are water stations along the parade route, but please do not rely on this as your only drinking source for you and your participants.

ONLY vehicles that are in the Parade are allowed along the Parade route. There is absolutely no parking allowed along the staging areas. Parking is available at the fairgrounds where you may park and get a ride on one of the shuttle busses running to and from the start of the Parade.

Equestrian Units: Pooper-scooper units are required! You can be as creative as you wish – Clowns, etc.

We do suggest that you might have some kinds of music for your float. This makes an interesting Parade rather than a boring one for the crowd as well as the marchers.

Every effort is being made to make the Parade an enjoyable event for you. We need your help in making sure we don't have large gaps in the Parade and the we keep the Parade moving.

Parade Maps will be mailed/mailed to everyone 1 Week before the Parade

Thank you for your participation and we hope to see you there!
