Looking for old photos of the Labor Day Association Celebration

We are looking for past Labor Day Queen, Jr. Miss, Little Miss and Little Mister pageant information, photos and pamphlets.

We want to do is put these articles on our website along with the 18,000 photos we have on there now. We will benefit with that information to tell the History of the Labor Day Celebration.

We haven't lost ANY photos or materials that have been loaned to us.

Thank You,

Charlie Wyatt, President
Labor Day Association
