STOCK OF

SPIRAL SPRING BUGGIES!

He Has Bought a Car Load of Spiral Spring Buggies and is prepared

TO GIVE YOU BARGAINS.

He gets these Buggies at a greater Bargain by Purchasing Car Load Lots, and makes a great saving in freight besides.  
Now he Proposes to give his Customers the Benefit of his Purchases.

To the Farmers and Traveling Public Generally!

He has the most commodious Livery, Feed and Hitch Barn in Southern Indiana, and he proposes to charge the following low rates: For Saddle Horse, to hitch, 5 cents; buggy and Horse, to hitch 10 cents. Two horses and buggy or wagon, 20 cents. If you wish your horses fed, drive into the main livery stable, otherwise drive into the large shed on the east side of the barn. There you will find plenty of water and places to feed your own horses if you have the feed with you.
