Big Chief Lloyd and his band of Igerrotes were taken into camp by the Alices Thursday afternoon at League park to the tune of nine to nothing. It was one of the worst defeats that the Champs have given the Dogeaters this season, as Rube Whitley was on the firing line for the locals it was sweet revenge to him for the terrible drubbing the Igerrotes gave him at Paducah on the last trip.

Rube only allowed the visitors five hits, only two of which were secured in one inning. Rube struck out seven of the visitors and although he passed two, hit one and several got on bases as a result of errors in addition to the five hits, he always pulled himself out of the hole without damage, not a single visitor being able to pass third.

The visitors had men on bases in each of the nine innings, and in three innings, had two men on, but Rube pitched such good ball and was given such splendid support, that the visitors never got a look in at the plate. Twelve of the visitors were left on the bases, one or two in every inning.

South, who was in the box for the visitors, was given his bumps by the Champs who bunched hits on him in the third, sixth and seventh innings, and just when the Champs had their bats at work, costly errors were made by South's support, which contributed to the defeat.

The Champs started the fireworks in the third inning, getting three hits and two runs. Chenault hit to center field, and Mattison followed with a safe punt, sending Chenault to third. Mattison stole second. Barbour drew a pass and Mitchell popped one up to right field, which Chief Lloyd fumbled, scoring Chenault; but Mattison was caught at third. Wilkinson then hit to center field, scoring Whitley. Moran flew out to center with Mitchell at third and Wilkinson at second.

The Champs touched off another bunch in the sixth, getting four more runs. With one man down, Wilkinson was hit with a pitched ball, Moran struck out. McClelland hit to left center for two bases, scoring Wilkinson. Barbour followed with another two bagger to the same place scoring McClelland. Chenault and Mattison both got on by errors, on which Barbour and Chenault scored.

In the seventh the Champs added three more runs as a result of three singles, one each by McClain, Wilkinson, and Moran, a two bagger by Barbour and a high throw to the plate by South. The results of the game were as follows:

## A Good Error.

929 N. 19th St., St. Louis.  
I desire to add my praise to Pastor Koenig's Nerve Tonic, which I served the U. S. Navy during the War of the Rebellion. While in service I was afflicted with malaria and rheumatism. From disease of the right brain, malarial poison continued headaches and vertigo resulted. My liver and stomach were also affected. I was then struck by facial paralysis through which my head ached and vertigo became worse. I tried various kinds of medicines, but obtained very little relief. One day I saw an ad. of medicine and went to a drug store to purchase it. I left the store in belief that I possessed the medicine I asked for, but found that I had a medicine not known to me. It was Pastor Koenig's Nerve Tonic, but as I lived quite a distance from the drug store I decided to try the Tonic. It was a good error on the part of the druggist. I would not be without the Tonic for all the money in the world, for it benefited me wonderfully.

### Tads Slaughter Birdies

[Special to The Commercial.]  
Mattoon, Ill., July 26.—The Cairo Tadpoles slaughtered the Mattoon-Charleston Birdies in the first game of the series this afternoon. Dowell was knocked out of the box and Moore substituted, but even this did not stay the Cairo sluggers. The results were as follows:

	R	H	E
Cairo	11	15	0
Mattoon	4	10	4

Batteries—Cairo, Johnson and Qulessier; Mattoon, Dowell, Moore and Johnstone.

### Vets Get Busy

[Special to The Commercial.]  
Jacksonville, Ill., July 26.—The Danville Vets administered a drubbing to the Jacksonville Lunatics this afternoon, knocking Ames out of the box. The results were as follows:

	R	H	E
Danville	10	12	1
Jacksonville	2	5	2

### DOPE FOR THE FANS

A Cairo fan says that the Dutch Roland predicts that the league finish will be Vincennes, Cairo and Danville in the order named, or Vincennes, Danville and Cairo. Not a bad guess either—Danville Commercial News.

Ziegler's first performance here as an umpire, was not a success by any means. The little fellow may mean well, but he evidently doesn't see things right, or else has something to learn about the game. A square deal all round is all that is asked of the "umps." Quite a number of the fans were of the opinion Thursday that the visitors didn't get all that was coming to them when the Champs were on bases, yet the general result of the game was not materially affected thereby.

Well, maybe Louie Barbour didn't have his batting eye in use Thursday—two two-baggers and a single to his credit and all were smashing good ones.

Rube certainly got his revenge Thursday for that trouncing he got

at Paducah on the last trip. Red Perry who fattened up his batting average that day, was treated to two strike outs in Thursday's game, and poor old Copper got a similar dose from the Sandborn boy.

Rube on several occasions Thursday demonstrated that he can pitch some ball when he tries. In the seventh inning he gave the first man up a base on balls and then gave the second man up three balls after which he suddenly "came to" and struck out three in succession.

The Igerrotes and the Champs go again at League park, this afternoon. Big Bill Chenault will do the twirling for the locals, while Wright or Tadlock will be in the box for the visitors.

Rube, it seems is not the only man on the team who know how to miss a train. Donovan turned the trick at Mattoon Wednesday night and did not arrive in time for Thursday's game. As a result Brownie McClain played center and Big Bill Chenault covered right garden.

Mitchell was bac kin the game Thursday after being out a couple of days with an injured finger.

Those Cairo Tadpoles are getting all puffed up again because they are up next to the top. The Champs will have to take a fall out of them Sunday on the local diamond.

### LIVE STOCK

[Special to The Commercial.]  
Indianapolis, Ind., July 26.—Fresh and stale, there were over 10,000 hogs on sale, which was fully enough to meet the requirements. Reports from outside sources were favorable to the buying side. There was a fair shipping demand, especially for choice light hogs at prices 10 lower than yesterday. Local packers subsequently were fair buyers and took about 5,000 hogs at the decline. All the supply was sold. Sales ranged from \$6.75 to 6.90, and the bulk of the supply sold at \$6.80@6.85.

Receipts of cattle were not as large as they have been, and with more choice steers, the standard of quality was better than heretofore this week. There was a good demand for the good to choice selections, and, with a strong inquiry from outside sources the best steers sold strong to a shade higher. A few loads sold up to \$5.90 @6.00, which is higher than any have been here for some time. Good to best cows and heifers also sold about steady, but there was no improvement in the market for common to medium cattle, and they are still difficult to sell. There was no better demand for stockers and feeders, bulls were only about steady, and calves were steady to 25c lower. At the close most of the good cattle had been sold, but many others remained in the pens.

There were more sheep and lambs here than necessary to accommodate local butchers, and with no improvement in the demand from outside sources there was a lack of competition, and sales were slow at prices 25c lower than yesterday. Ordinary grades, not good enough for butchers, were almost unsalable. Good to choice lambs sold for \$6.25@6.75; inferior to medium kinds for \$3.00@6.00; yearlings for \$4.00@5.50, and culls to good sheep for \$2.50@4.50. Receipts—Hogs, 8,000; cattle, 1,300; sheep, 850.
