The above photo shows Roger Myers presenting to the 1993 Labor Day Association's officers plaques of appreciation at a meeting Jan. 10. At that meeting the above officers were again re-elected for 1994. This year's celebration will be held in Boomville at the Warrick County 4-H Center. The Labor Day Association's celebration is 108 years old, Indiana's oldest celebration and the second oldest continuous celebration in the nation. Pictured above are Bobby Joe Smith, president, Roger Myers, parade announcer, Mark Riley, recording secretary, Charles Wyatt, treasurer and Bob Lacey, vice president.
