EACH TEACHER HAS ROOM
 IN BUILDING NUMBERED

Principal Smith Would Like All New
 High School Students To Enroll
 Before School Starts September
 Fourteenth; New Grade Division

Below are the teaching assignments in the Oakland City public schools for the school year 1936-37.
 Elementary School

Frances Banks, room 1, grade 1B; Nellie Shanner, room 2, grade 1B and 1A; Naomi Lansford, room 3, grade 2B; Eva Kennedy, room 4, grade 2B and 2A; Marie O'Neal, room 5, grade 3B; June Pearson, room 6, grade 3B and 3A; Leona Jones, room 7, grade 4B; Alma Kennedy, room 8, grade 4B and 4A; Mildred Heathman, room 9, grade 5B; Gertrude Hawkins, room 10, grade 5B and 5A.

The sixth and seventh grades will be departmentalized in the part of the building formerly used by the high school. The following teaching assignments have been made to the elementary teachers engaged in the departmental work:

C. O. Gladish, Principal, English, and spelling; Raymond Pflug, arithmetic and spelling; J. W. Volker, history, geography and spelling; Kathryn Bigham, reading, health and spelling; Mildred Arburn, music, art, penmanship and safety education and spelling.

Aline McKinney Martin will supervise the music and art throughout the elementary school as during the past.

High School

During the first semester of the present school year, the high school, including grades 8, 9, 10, 11, and 12 will be housed in the Cronbach building. It is hoped that these same grades can be moved to the new high school building at the close of the first semester. The following teaching assignments for grades 8, 9, 10, 11, and 12 have been made.

Elmer Smith, Principal, Manual Training and Mechanical drawing; Fred Rumble, history and civics; Herman Cloin, English and supervisor of library; Paul Davis, Science and Social Science; Harold Hamilton, Social Science and English; Paul Brewster, Latin and English; Ross Norrick, Mathematics; Wayne Kilpatrick, Mathematics, Health, Physical Education and director of Athletics; Mayra Riggs, Vocational Home Economics and English; Aline McKinney Martin, Music and Art; Lois Falls, History and Home Economics in Grade 8; Mildred Hunt, Mathematics and General Science in grade 8.

Mr. Smith, principal of the high school, will be in his office at the Cronbach building almost every day this week and next getting the program ready for the first day. All students new to this system who plan to enroll in the high school or the 8th grade should see Mr. Smith at once concerning their program for the semester.

TWENTY MARRIAGES

**CAMP MEETING
 CLOSES SUNDAY**

Forty-First Annual Meeting Will End
 Next Sunday After Very Successful
 Season; Cooler Weather Meant
 Much To Added Comfort

Sunday will bring to a close the fifty-first annual camp meeting of the Southern Indiana Holiness Association, which has been in session since last Friday.

The camp meeting was very fortunate in there being a break in temperature on the day they started, which has continued straight through. Though there has been some rain it has failed to dampen the enthusiasm of the crowds, according to the reports of regular attendants.

The crowds have been holding up very well and the services have been very enjoyable. The Rev. Winfred Cox, of North Carolina, is serving as evangelist, and his sermons have been eagerly accepted. He is assisted by the Rev. C. B. Cox, of Ohio. Prof. John E. Moore, of Bethany, Ohio, is the song leader.

Services are held throughout the day, with the first one being at 9:30. There is then different types of meetings in the afternoon, with another service at 7:30 in the evening.

One of the notable features of the meeting is the constant attendance of N. W. Benton, who comes up from Ft. Worth, Texas, every year for the event. Mr. Berton is a former and highly esteemed citizen of Oakland City.

Camping facilities are provided for all who desire to spend the entire time on the camp grounds, and meals are served for those who desire them.

MUSSEL LICENSES NUMBER
 TWENTY-NINE HUNDRED

**LABOR DAY WILL BE BIG
 HOLIDAY FOR THIS CITY**

Practically all business houses will be closed all day or a part of the day next Monday, Labor day. Some groceries are remaining open until ten o'clock or noon to give late shoppers an opportunity to procure last minute needs.

It is welcomed by many as another double holiday this year. Business and professional men have been very fortunate this year in having three double holidays of this kind.

The post office will be closed all day with no service at all. There will be no rural or city deliveries, and all windows will be closed all day.

**PRINCETON LABOR DAY FETE
 WILL BE "SHOT" FOR MOVIES**

Two movie syndicates will have cameras at the Labor day celebration at Princeton Monday. One is a news reel company and the other is a company which is taking shots in Princeton for a feature picture laid in Princeton.

The speech of the featured speaker, Miss Josephine Roche, of the department of the treasury, will be broadcast over at least 38 states. Many floats have been entered and numerous organizations will take part. The giant celebration will be held at Princeton.

**LANDON GAINS
 IN RURAL POLLS**

Grass Roots Poll Of Rural Communities Shows Kansas Gaining Steadily From Week To Week; All Races Promised Equal Treatment

New York, Sept. 4.—Gov. Alfred M. Landon, Republican presidential

**TAXPAYERS TOLD
 HOW TO USE CASH**

Representative Of Indiana Taxpayers Association Tells Gibson County Taxpayers How Best To Use Gasoline Taxes; Too Much Welfare

Diverting part of the county's share of the gasoline fund to pay county unit road bonds and interest, was suggested as a means of bringing about a reduction in taxes in Gibson county, by C. O. Schlegel, field secretary of the Indiana taxpayers association, at a taxpayers' school held at the courthouse in Princeton Wednesday.

Mr. Schlegel stated that the county is due to receive \$136,500 from the gasoline fund in 1937 and the county budget shows \$84,402 in county unit road bonds and interest due next year. He advised using part of the gasoline money to pay the bonds and still have sufficient money on hand to maintain roads.

He advised holding down working balances in the various offices.

He explained the welfare budget and advised reduction of the working balance. He brought out that \$132,600 is being asked in this county for 1937 whereas in Knox county only \$115,200 is asked. He said that there were 858 receiving old age pensions in Knox county under the old plan and only 595 in Gibson county.

In view of the increased allotment of \$50 more per teacher of the gross income tax, promised for 1937, he advised lowering of school rates in excess of 50c in most cases.

**JASPER TAX RATE CUT MORE
 THAN HALF BY LIGHT PLANT**

Jasper, Sept. 4.—Jasper's forthcoming tax rate will be cut because
