RUSSIA TO KEEP AGITATORS OUT

Note Is Sent To Russian Officials By American Ambassador; Decries Russian "Red" Reference In U. S. A.

AMBASSADORS DIVIDED IN GIVING OPINIONS

Using Activities Of Communist Agitators In This Country Target Attack By Ambassador; President Chided For Slowness

Washington, Aug. 27.—A blunt message that America recognition of Russia might be withdrawn unless the Soviet government acts promptly, to end Communist agitation here was read by observers into a message delivered in Moscow by Ambassador Bullitt.

Those who had kept in close touch with the situation were surprised at the stern tone of the communication and what they considered an outright threat thinly disguised in diplomatic verbiage.

On the other hand, some senators and representatives declared the note did not go far enough and diplomatic relations should be maintained.

Ambassador Bullitt delivered an "emphatic protest" against activities of the Communist International.

In his note to Vice-Commissar Kresyng, in acting charge of foreign affairs, said these activities involved interference in the internal affairs of the United States, and called them a "flagrant violation" of the pledge given by Soviet Russia at the time it was recognized by America.

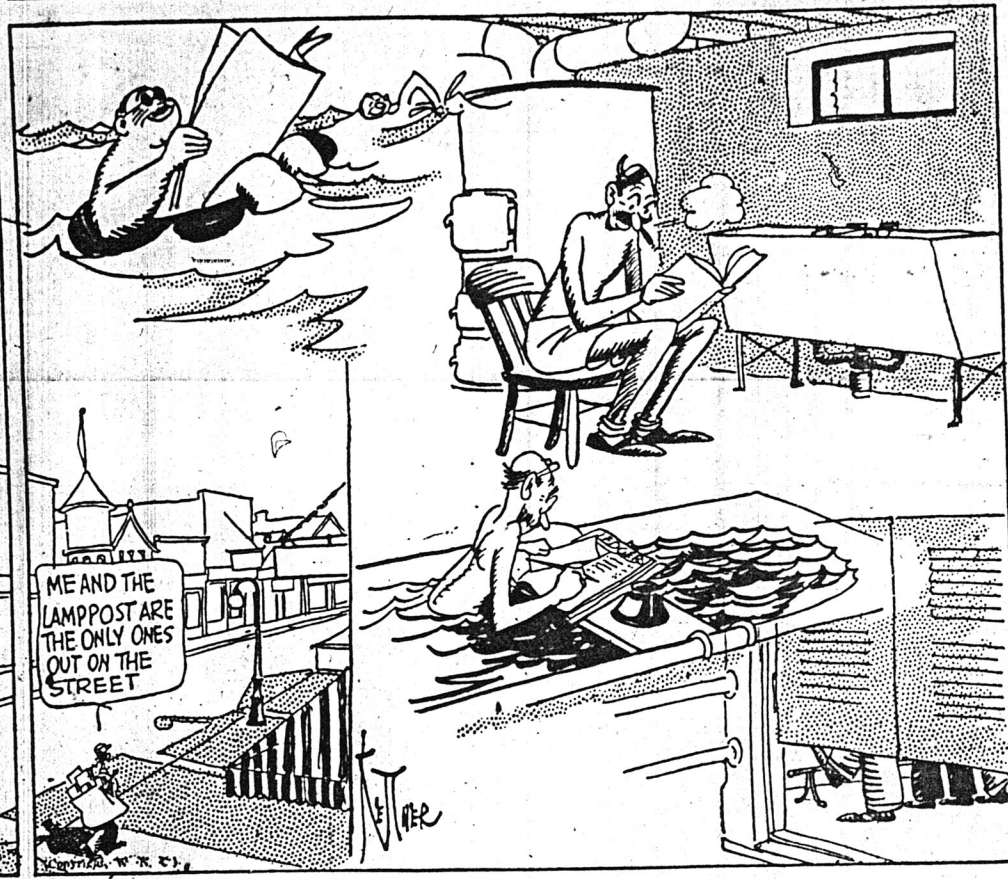

The American government, he declared, "anticipates the most serious consequences" if the U. S. S. R. is unwilling or unable to take appropriate measures to prevent further acts "in disregard of its obligations to prohibit activities in American territory aimed at changing the political or social order of the United States."

Senator Tinkham, Massachusetts Republican, who has a resolution pending in the House for severance of American diplomatic relations with the Soviets, declared that President Roosevelt "acted too timidly and not with vigor enough" by sending a protest to Moscow instead of the Soviets violating their pledges to refrain from disseminating Soviet propaganda in the country.

Even at the meeting of its permanent agency held recently at New York it declared its intention to prevent social disorder in this country and advised seizure of control over labor unions for political purposes.

LIQUOR RAIDS NET ONE STILL

Norman Stevens Fined One Hundred Dollars And Costs On Charge Of Operating Still; Plant Was Destroyed By Officers

Two federal liquor men arrived in Oakland City yesterday and together with Marshall William Burns, made two raids resulting in the destruction of a still and several gallons of liquor.

The raiders were Marshal Burns, Lewin U. Reed, investigator for the alcohol tax unit of the treasury department, and Deputy U. S. Marshal J. E. Stickelman, of Evansville. They went to the home of Norman Stevens, on the road going to the old Magnolia strip mine from the old Winslow road, and there seized a still, almost five gallons of whiskey and 200 gallons of mash. The still was of a forty gallon capacity and was operating at the time it was destroyed. The five gallon jug containing the finished product was out in the yard, and a very thin trickle of liquor was running into it from the still.

Stevens was taken to Petersburg, where speedy justice was meted out. He was fined \$100 and costs by Mayor William Berridge on a charge of operating a still. Stevens pleaded

LABOR DAY PLANS FOR BOONVILLE

All persons who desire to go to the Labor Day celebration at Boonville next Monday should leave their name at C. B. Farmer's office and get a sticker to put on the car. The movement is being sponsored by the Oakland City Civic club.

The drum corps will go if there are enough from here to go to make a decent representation. It is urgently asked that all who plan to go to Boonville leave their name at Mr. Farmer's office.

UNITED BRETHERN CHURCH RETURNS BYRUM HERE

Members of the Oakland City United Brethren church are to have their same pastor back next year, according to the report of the United Brethren conference held last week at Linton. This will be the fourth year for the Rev. Mr. Byrum.

The Rev. Mr. C. H. Ivy, for a few years pastor of the Oakland City church, and who went from here to Princeton, was sent to French Lick this year. He was re-elected secretary of the conference, having served in that capacity for a score of years. The Rev. Mr. Byrum created quite a sensation in church circles last

CAMP MEETING GREAT SUCCESS

Leaders Delighted With Nature Of Services And With Crowds Attending; Preaching Is Excellent And Musical Evangelists Very Pleasing

Leaders in the camp meeting are delighted with the crowds that are attending this year. According to a statement by Rev. W. J. Byrum, pastor of the United Brethren church, the attendance is better than it has been for some years, and is running much higher than last year.

One faithful couple is present from Indianapolis, the Rev. and Mrs. D. W. Noble, who attend every year. They are greeting old friends, many of whom they do not see from one camp meeting to the next. Noble W. Benton, who usually manages to come up from Texas for the meeting, is at present in California, but will be in the city at a later date.

The evangelists are the Rev. and Mrs. Allie Irick, of Lufkin, Tex.—Mrs. Irick was here last year, and no doubt has a lot to do with the large crowds that are attending this year. The evangelistic singers are Prof. J. Warren and Maybelle Loman, both of whom are exceedingly popular. Their singing and leading
