The Infusion Therapy room was funded in part by Gibson General Health Foundation.

### Cancer care... Close to home.

When undergoing treatment for cancer, travel can be tough on patients. That's why Gibson General Hospital has brought cancer care close to home.

Under the direction of Dr. Christopher Braden, a board-certified medical oncologist, Gibson General Hospital's Infusion Therapy Services offers chemotherapy and immunotherapy, right here in Gibson County.

Our treatment room has all the amenities (comfortable chairs, individual cable TVs, internet access, snacks, etc.) needed to make your treatment as pleasant as possible. And you can count on our compassionate staff to be there every step of the way, allowing you to focus on the most important part of treatment—feeling better.

Centered Around You.
