

LABOR DAY AT PRINCETON

Many Bbonville people attended the Labor Day celebration at Princeton last Monday. The crowd was estimated at 50,000. A huge parade, with many floats, was a big success. The welcome address was made by Mayor O. T. Brazelton of Princeton. Other speeches were made by C. A. Smith and Congressman A. S. Greenwood.

The Vincennes First Regiment band gave an hour concert at noon.

Addresses in the afternoon were made by M. W. Thatcher, Washington, of Farmers National Grain corporation, and A. F. Whitney, president of Brotherhood of Railway Trainmen.
