VAST PROGRAM AT PRINCETON FAIRGROUNDS MONDAY AFTERNOON AND EVENING—THOUSANDS OF VISITORS EXPECTED.

All details have been handled by the Southern Indiana Labor Day Association for the gigantic union Labor Day celebration in Princeton on next Monday, Sept. 1. There is every indication the celebration will be the greatest ever held in this entire section.

The celebration will open with the grand street parade at 10 a. m. from south Main street, around the south, west and north sides of the public square and into the fairgrounds. The line will circle the race track, in review before the free attraction platform from judging for prizes.

Many floats are being built by mine locals, shopcrafts, business firms and others for the parade, displays being most elaborate.

For best labor union displays in the parade, first prize of \$50 and second prize of \$25 are offered, for business floats, first prize of \$50 and second prize of \$25; for farmers displays, first prize of \$25 and second prize of \$10; for store window displays of union made goods, with union label distinctly shown on every article, prize of \$15 is offered. These displays are to be in store windows on the public square and one block each way off the public square. Window judging is to start at 7 a. m.

Three merchants will judge the union displays. The judges are Henry J. Maurer, Boonville; Harold Chappell, Oakland City and Rodolph Hillman, Princeton; Union men who will judge the business house floats and store windows are George Martin, Boonville; Theodore Kays and Arch Smith, Princeton.

In addition to the cash prizes, miners locals have in competition annually a loving cup for best parade display and largest attendance of membership in the lineup.

Hospital attendants found it necessary late last night to amputate one of Brewster's feet, which had fallen across the track as he struck the ground.

The amplifiers will be placed in the amphitheater and over the grounds, in order that thousands of people may hear the programs, even though many will be unable to get close to the band stand, from where the speaking and musical programs will take place.

22 DRIVERS SIGNED UP TO THURSDAY P. M.—FIVE EVENTS CARDED—FIREWORKS FRIDAY NIGHT BIG PROGRAMS.

That which speed followers have been awaiting—auto races—will feature Saturday's program at the Gibson county fair, with five races carded, the first a match race between the two fastest qualifiers, starting at 2 p. m.

The greatest dirt track auto race drivers of the middlewest are brought here for these events. Included are such famous speed demons as Howdy Wilcox, of Indianapolis; Ira Hall, of Terre Haute; Bryan Saulspangh, of St. Louis; L. E. Beckett, of Dayton, O., and many others. Then to top off the whole thing, the entry of Frank Sweigart, of Indianapolis, who is heralded as the world champion dirt track driver, was among the latest received.

Up to Thursday afternoon, announcement was made by fair association officials that 22 drivers entered the events here. Included are three who recently qualified at 25, 25.1 and 25.2 seconds, respectively at the famous Jungle Park track, Rockville.

Saturday's auto races at the fair are being managed by Dick Pride, manager of the Pride Bros. Speedway, near Evansville. It is only possible to secure such an array of speed kings because of the fact that races will be held Sunday afternoon at the Pride track. Pride is furnishing all race officials and is handling everything in connection with the events here, including preparation of the track. All precaution is being taken to prevent accidents among the throngs of spectators.

Qualifications will be held Saturday morning and leading up to 1 p. m. In addition to the match races, three 5-mile events and the 10 mile feature will be run, all for \$1,000 purse.

CHRISTIAN CHURCH MEETING

As a feature of the pre-Labor Day activities a meeting will be held at 7:30 Sunday night in the Broadway Christian church, with address by Fred N. Aten, Columbus, O., International representative of carmen. Mr. Aten is a noted speaker and the committee is indeed fortunate in obtaining him. He will have a message that everyone should hear and not only labor union members and their families, but the general public are invited and urged to attend this meeting. It is hoped the church auditorium will be packed to hear the address.

H. J. Fritz, grand marshal of the parade, announces that after the line circles the track at the fairgrounds, all floats will be parked in the center ring, where the judges may view them again if desired, for awarding of prizes.

Shoppers have not detailed the lineup of their parade division, but will line up their organizations in their own order. Floats and other displays have been built for the Shopcrafts representation in the big street pageant and it is learned they have quite a few surprises.
