EIGHT BANDS AND TWO CALIOPES IN LABOR DAY PARADE

PLANS ADVANCED FOR GIGANTIC CELEBRATION IN PRINCETON SEPTEMBER 1ST—EXTENSIVE FAIR GROUNDS PROGRAM IS ARRANGED.

Every indication that the Union Labor Day celebration in Princeton on Monday, Sept. 1, will be of gigantic proportions, and the best yet held in southern Indiana, was shown at a meeting of the celebration organization Sunday afternoon in the Princeton C. L. U. hall. This was the semi-final plans meeting, with the final meeting to be held next Sunday afternoon, August 21, at 1:30 in the C. L. U. hall here.

Eight bands and two callopes will furnish music for the grand parade at 10 a.m. through the principal streets of the city and to the fair grounds, where the celebration will be held. Princeton American Legion band, Prof. Irvin L. Oster, director, will head the parade and will play throughout the day and evening at the fair grounds, with soloists featured in the program. Other bands include Booneville, Patoka, Ft. Branch, Petersburg bands, with three others being engaged by various local unions to head their respective parade delegations.

Parade and Window Prizes

As in former years, cash awards will be made for parade and store window displays on Labor Day. First prize of \$50 and second prize of \$25 will be given for the best representation of local unions in the parade. Floats of business firms will compete for first prize of \$50 and second prize of \$25. Farmers organizations will compete in the parade for first prize of \$25 and second prize of \$10. A prize of \$15 will be awarded for the best window display of union made goods in stores on the public square here. The union made goods must be displayed with the union labels clearly showing.

Noted Free Acts

In addition to addresses by noted labor leaders, an excellent entertainment program will be given, afternoon and evening, at the fair grounds. A balloon ascension will be given. Free acts include a comedy act, Si and Maudy; two acts by De Siberio Trio; two acts by Four Lemays, sensational aerialists; and a comedy bar act by the Machedon Brothers. An evening feature is a boxing show, with Joe Lynn, popular Princeton pug, appearing in the feature bout. There will be three other bouts and a battle royal.

Officials for the celebration announce that positively no labor organization will have concession at the fair grounds on Labor Day. All concessions there will be operated by individuals and no labor body will be sold concession space, it was declared.
