**OF NORTHERN RUSSIA AND
ASIA—ALL IS WELL.**

TOKIO, Japan, Aug. 19.—The sec-
ond leg of the longest and most peril-
ous flight ever attempted in the history
of aviation came to a triumphant end
this afternoon when the giant German
dirigible, Graf Zeppelin, alighted at
the Kasumigaura airport near here
after a 6,600-mile non-stop flight thru
the uncharted skies of northern Asia.
Carrying 20 passengers, a crew of
40 men and Germany's ambitious hopes
in commercial aviation, the mighty
air liner landed here at 6:25 p.m.
(4:25 a.m. Est.), just 101 hours and
50 minutes after she started from
Friedrichshafen for the second leg of
her flight around the world. She
left Friedrichshafen at 10:35 p.m.
Est., Wednesday.

Greencastle, Ind., spoke on "Why Wor-
ry," bringing out points of interest on
how to get along with people. He asked,
"What am I going to do with the
only life I am going to live? What
are religious values? What you want
to do? What can you do? What you
to be done? He declared that the an-
swers to these questions depend upon
an individual; human nature is funda-
mentally good, life is largely self dis-
covery, self development, self expres-
sion.
The Berliant Players and some
speakers were on the Monday after-
noon program.

DAY**

to use the water only when necessary
and avoid all possible waste.
The large gasoline emergency engine
has been repaired and is being oper-
ated by an expert from the Dayton
Supply company, Quincy, Ill. This
engine has supplied the city in water
since Saturday afternoon.

The Southern Railway officials are
to be highly praised for the work and
interest shown, Mr. Joplin states. They
telegraphed the different supply com-
panies at St. Louis and Chicago for
the special fitting necessary to repair
the engine. Mechanics were sent from
the Southern shops to the water works
and succeeded in fixing the emergency
engine temporarily until the large motor
is started.

According to Mr. Joplin all repairs
will be made within the next few days
and water may be had in abundance.
Princeton is still in an emergency
because the engine was only fixed tem-
porarily and extra caution should be
taken for fear of fire while this emer-
gency exists.

Through the use of the emergency
gasoline engine, water was turned on
Saturday afternoon only a short time
after the Daily Democrat had gone
to press, announcing the trouble and
has continued since but not with the
usual pressure.

**TENNIS TOURNNEY
IS HELD SUNDAY**

A tennis tournament was held Sun-
day afternoon at the courts on the
west side of the coliseum lot, with
many members of the tennis club par-
ticipating. Both doubles and singles
play were held. The courts at the
coliseum lot are exceptionally popular
with lovers of this sport.

The Graf Zeppelin was safely in the
hanger at 7:05 p.m. (5:05 a.m. Est.)
40 minutes after it had landed.
Darkness hindered maneuvering of
the big silver bag slightly and auto-
mobile lights were brought into play
to aid in putting the air traveler to
rest.

Start for Los Angeles Thursday
Commander Hugo Eckener had wire-
lessly in advance that he hoped to
leave Tokio at daybreak Thursday for
Los Angeles, continuing his flight

**LAKE CO. VICE HEAD
IS ARRESTED BY
STATE POLICE**

INDIANA HARBOR, Ind., Aug. 19.
—(UP)—Grice Chandler, reputed vice
lord and bootlegger leader here, is
under arrest.

Chandler, who is believed to have
fled from the Calumet district a week
ago in advance of raiders, was taken
into custody on Chicago's South Side
by George Mehle, assistant chief of
Indiana state police; and H. E. Miner,
Hammond, Deputy U. S. marshal.

The prisoner, despite a reputation
as a bad man, offered no resistance to
arrest. He waived extradition and
was locked up at Hammond, charged
with prohibition law violation. It is
said he was the man in the Calumet
district most wanted by the U. S.
Dept. of Justice as having knowledge
of protection money alleged to have
been paid by dealers in liquor.

Mrs. Elmer Johnson and children
went to Mt. Vernon, Ill., Saturday to
visit her mother, Mrs. A. R. Pulliam.

Music for the day's sessions consisted
of chorus singing. Monday afternoon
Miss Dorothy Lee Smith gave several
readings. Miss Nellie Young, this city,
is in charge of the institute music.
