Here's a Predicament
 Recently, Oscar Mossman met with a serious accident from driving a horse, when the animal ran away with him. Recovering from that Oscar purchased a Ford and the other day became tangled up with the said automobile, which resulted in Mossman being injured. Some of Oscar's friends are so mean as to say that the only thing left for him, in order to observe the "safety first" sign, is to walk and he isn't quite sure that he would be absolutely safe at that.

Many cities have placarded on every corner this sign:—Take No Chances. Safety First. Hospitals Are Overcrowded.

The many friends of Theodore Bucklin, in east State street, will regret to learn that his condition has changed for the worse today. Mr. Bucklin has been ill for several days.

Glenn Watt and family, of Tulsa, Okla., are in this vicinity visiting friends and relatives for several days. Mr. Watt was formerly mailing clerk in the Princeton post office.

Mrs. H. Harmon and family, Mrs. J. M. Jones and Miss Hazel Sollman went to Evansville Saturday afternoon.

Miss Venita Wagner and brother, Wilfred, will leave tomorrow for Chicago and Danville to make a ten days vacation trip.

Roy Bell, of Francisco, was a visitor in the city today.
