...8:00 pm...
...Amplifiers are being placed in the amphitheater and parts of the grounds so that thousands of people may hear the addresses, music and other events on the program.
...In addition to labor unions throughout this entire section, farm bureau organizations will participate in the great celebration here Monday. Farmers and their families have been allotted a parade division and they are planning a big turnout. Floats from business houses will likewise occupy a prominent place in the line with indications of a splendid display. Construction of many floats has been going on for some time. These floats, along with the labor unions and farm bureau will compete for parade prizes for the best representation. Business houses will likewise compete for prizes for the best window display of union made goods.
...All in all, there is every indication that with thousands expected to throng the city and fair grounds from early morning until late at night, the Labor Day celebration, held here for the third consecutive year, will be a tremendous success from every standpoint.

A-P EMPLOYEES TO SPEND SUNDAY AT SEMINOLE LAKE

The Evansville branch of the Louisville unit of A & P Tea Co.'s officials, managers and employees will hold their annual picnic at Seminole lake Sunday, Sept. 2.
The delegation will assemble on the east side of the public square here at 10:00 o'clock, and after parading the square will drive to the lake for the day. A picnic dinner will be served on the grounds at the noon hour.
Games and contests will be held throughout the day, prizes to be awarded the winners of all events. Flannagan's Speed Boys have been engaged to furnish the dance music for the afternoon.
Delegations will be present from southern Illinois, northern Kentucky and all of southern Indiana. It was through the untiring efforts of Roy Utley, the local manager, that it was made possible for the picnic to be held here. The public is cordially invited to attend.
