**CAMP MEETING PROGRESSING**  
(Contributed)  
Meeting at the Tent in south Stor-  
mont and Pinkney street, is still pro-  
gressing nicely with good preaching  
each evening by the Evangelist Mrs.  
John Massey. Numbers bow at the al-  
tar, some were saved and sanctified  
with shouts of praise to God. Real  
victory prevails in each meeting. Come  
to the feast of the word of God, sent  
forth with clear, straight lines as God  
has said it should to wake the nations  
that are forgetting God.

Mrs. Blanch Mertz, who has been  
the guest of Mr. and Mrs. Charles  
Billingsley, left Saturday morning for  
her home in East St. Louis.
