at Atlantic City. The insert shows Supreme Knight James A. Flaherty of Philadelphia.

## TO ESTABLISH TOURIST CAMP IN LAFAYETTE PARK

Preliminary steps were taken by the city council in an adjourned meeting Monday night toward the establishment of a tourist automobile camp located in that part of Lafayette park which lies south of Spruce street. Charles G. Taylor, secretary-manager of the Chamber of Commerce, appeared before the council and suggested less elaborate plans for the camping site than have been under contemplation in order to expedite matters. The council has had under consideration the erection of a permanent rest building but it will take time for these plans to mature.

It was decided to erect a frame toilet building and provide lights and water at the site. A sign will be erected notifying tourists of the camping site.

The matter was placed in the hands of the park board together with Mr. Taylor, to execute the plans.

Bids for the construction of the north side sewers were rejected by the council, all having exceeded the engineer's estimate. Bids were received from Thomas Watt, of this city; M. O. H. Hardig, Evansville, and the Howerton-Tirsway Co., of Asheville, N. C. The contract will be re-advertised.

A city ordinance providing that traffic on the streets running north and south as the right of way over traffic going east and west was repealed to conform with the state law which requires that vehicles approaching from the right of the driver have the right of way at all times.

A resolution was adopted by the council ordering sidewalks on the following named streets:

- Emerson, north side, from Race street east 567 feet.
- Prince, both sides, from Ohio, to Warnock.
- Mulberry, south side, from Main west to city limits.
- Illinois, both sides, Main to Race.
- Christian, both sides, Gibson to Seminary.
- Hart, both sides, Clark to Mulberry.
- West, both sides, Emerson to Spruce.

## COLISEUM BOARD TO INVESTIGATE OTHER BUILDINGS

At a meeting of the coliseum board in the office of the county auditor this morning, all members being present except P. S. Armstrong, the board voted to proceed as soon as possible to view several memorial buildings already completed in the state, and possibly one in Kentucky with an idea of determining the kind of building that is to be erected in Gibson county. This done and the general plan determined, the board will employ an architect.

The board adjourned this morning until next Tuesday at 10 o'clock.

There are several memorials to soldiers and sailors of the world war now completed in counties not distant at approximately the same cost as that contemplated in Gibson county. The original petition for the memorial limiting the cost of the building to \$150,000. A memorial in Cass county which has cost \$125,000, another at Greenfield, one in Bowling Green, Ky., have been mentioned as embodying features desired in the one to be built here.

Charles G. Taylor secretary-manager of the Princeton chamber of commerce agreed to co-operate with the board in obtaining information on completed coliseums. Representative Claude A. Smith also will present data at the next meeting.

No final action was taken this morning on the question of renting space as an armory to the local battery. It is probable now that no vote will be taken on this matter until the board has made its inspection.

Members of the board said this morning they believed a careful study of several memorials already built would prove of the greatest value in reaching a final decision on the form of the project and in avoiding mistakes made by other communities.

Both railway stations at Princeton

## LABOR UNIONS PLANNING BIG DEMONSTRATION

One of the largest union labor demonstrations that has ever been held in Gibson county is scheduled for Thursday afternoon and evening when labor organizations from Princeton and all towns in the county will participate.

The program will open at 1 o'clock in the afternoon with a parade which will be formed in south Prince street, the organizations meeting at the Franklin school building. The parade will move north in Prince to Oak, thence west to Hart, south to Broadway and around the square, disbanding on the north side. Hundreds of men are expected to be in the line of March. The parade will be headed by the Owensville band.

From 5 until 7 o'clock in the evening there will be a concert by the band in the court house yard and the evening program will begin at 7 o'clock the opening exercises in charge of the Rev. Mr. Hoekstra of the Baptist church. An address of welcome will be delivered by Mayor Niemeier.

Among the speakers will be W. H. Smith of Evansville and Carl E. Thompson, secretary of the Public Ownership League of Chicago. A closing feature of the program will be selections by a male quartette. The program will be opened by the singing of "America."

Arrangements for the comfort of all, especially the women and children and old people are being carefully made. There will be plenty of seats and ice water will be served free to all.

The parade marshal for the afternoon will be Z. D. Bouchie with John Dood and N. C. Blake as assistants.
