## CHICAGO LAWYER TO HEAD U. S. BAR

### SILAS H. STRAWN ELECTED—ENGLISH JURIST CRITICIZES PRESS ATTITUDE

BUFFALO, N. Y., Sept. 2.—(AP)—Silas H. Strawn, of Chicago, was elected president of the American Bar association today.

John H. Voorhees, Sioux Falls, S. D., treasurer, and William P. MacCracken, Jr., Chicago, secretary, were re-elected.

An extensive criticism of the press today was part of the annals of the fiftieth annual convention of the bar association.

The criticism was uttered Thursday night by Lord Hewart, chief justice of England. He told the lawyers that in the last 30 years he had detected a change in the character and aims of many newspapers, which, he warned, required vigilance.

"It goes without saying," Lord Hewart said, "that if self government is to be a real and a living thing, the citizens who share the responsibility of governing ought to have access to information on public affairs which is both accurate and adequate. One of the instruments for that purpose is, or ought to be, the press. You cannot expect the right verdict from a jury if the evidence is not fairly and squarely laid before it.

"To put the matter the other way around: Is it not really a kind of treason against the political sovereign deliberately to mislead the public either by active misrepresentation or by calculated suppression?"

### NOTED MILWAUKEEAN TO ADDRESS AUDIENCE AT FAIR-GROUNDS MONDAY AFTERNOON—W. H. SETTLE WILL SPEAK FOR FARMERS

Emil Seidel, former mayor of Milwaukee, Wis., noted for his work for organized labor, will be the union labor speaker at the great Labor day celebration to be held Monday, September 5, in Princeton. It was announced Friday by Thomas Elsfelder, this city, chairman of the speakers' committee.

Mr. Seidel will deliver an address at the Gibson county fairgrounds, where the principal part of the program will be held all day and evening and he will be here without fail, the committee was assured. It is considered that those in charge of this part of the Labor day celebration have been indeed fortunate in being able to secure a labor speaker of this caliber. Wires had been sent to various parts of the United States in an effort to obtain a good labor speaker. Mr. Seidel had been sought last year, but was unable to appear here.

#### Settle for Farmers

W. H. Settle, president of the Indiana Farm bureau, will be the farmers' speaker at the fairgrounds Monday. He has appeared here numerous times and is widely known for his work with the farm bureau.

It was stated today that more floats are being built and additional displays being arranged daily for the gigantic parade at 10 o'clock Monday morning. Reliable reports were that somewhere in the neighborhood of 100 floats and other displays will be in the long line to compete for prizes offered labor unions, farmers and merchants.

#### Miners' Own Cup

In addition to these cash prizes, miners will be in competition for a loving cup offered among themselves. It is learned that a majority of the mine locals have supplied themselves with new outfits, as well as building floats and a number of the organizations will bring bands here for the parade in order to make the best showing possible.

The parade will form on all intersecting streets in the south part of the city and west and east of Main street. Full parade formation will be announced Saturday. Order of the seven big divisions in the line has previously been made public, but full details will be published regarding the streets to be used by the various delegations in forming for the march.

The parade will move north in Main street, instead of Prince, as previously stated, promptly at 10 o'clock, moving west in Broadway, north in Hart, east to Main, north to Spruce and west to the fairgrounds, where the fine program lasting until well into the night will be given for entertainment of the thousands of visitors who will throng the grounds.
