ROCK STERN STATES

**SLIGHT DAMAGE IS DONE IN
 SECTIONS THIS MORN-
 ING**

(By the Associated Press.)
 A series of earth tremors, varying
 considerably in intensity, and length of
 duration, rocked portions of five east-
 ern states and one Canadian province
 today.
 Quakes were reported at intervals
 from as far east as Springfield, Mass.,
 west to Ashitabula, O., south to various
 points in West Virginia, and north to
 Toronto.
 In most cases the effects of the shock
 were confined to the awakening of
 sleepers and the violent rattling of
 windows and dishes, but in western
 New York, where the tremor appeared
 to have reached its maximum intensity,
 considerable damage was done.

SCHMELING FUTURE MAY BE DARK ONE

NEW YORK, Aug. 12.—(AP)—It
 would appear that Max Schmelling's
 fistic future is behind him so far as
 the New York State Athletic commis-
 sion and Madison Square Garden are
 concerned.
 Their licenses already revoked in
 this state, Schmelling and his Ameri-
 can handlers seem destined to feel the
 full weight of the commission's dis-
 pleasure in the shape of a ruling bar-
 ring them from the state's rings for
 life.
 A hint of such drastic action was
 contained in a final statement, issued
 through James A. Farley, chairman of
 the commission, which declared "the
 State Athletic commission and the
 boxing fans of the state of New York
 can get along without Schmelling and
 those who are handling his interests
 not only now but for all time."

 Surviving to mourn his passing are:
 the wife, Mrs. Lucy Sharp, daughter of
 the late Mr. and Mrs. A. S. Ford and
 sister of A. Dale Ford and Miss Nelle
 Forth, of Princeton; a son, Russell, of
 New York; three daughters—Edith at
 home, Mrs. Thelma Jones of Greencastle,
 and Mrs. G. D. Helmhaugh of Roches-
 ter, Ind.; other relatives and hosts of
 friends.
 Another son, Maurice, landed the
 first airplane at Princeton during the
 World war when he came down on the
 Harvey field, east of the city. He was
 in the aviation corps of the United
 States army during the World war.
 Maurice died at Pittsburgh of appendi-
 citis.

Mr. Sharp was born in Owensville
 December 7, 1860. The family moved
 to Princeton while he was yet a small
 boy. He worked at the Charles Brown-
 lee store from the time he was a young
 man until about 20 years ago when he
 went on the road, traveling for a dry
 goods firm. Later he established his
 residence at Greencastle. It is under-
 stood that in the past few years he
 was connected with an insurance busi-
 ness at that place.

Mr. Sharp was highly regarded here
 and has many friends who will be
 shocked and saddened to hear of his
 death.

During his long career at the Brown-
 lee store Mr. Sharp was considered an
 authority in his line. After he had
 traveled for a time he returned to
 Princeton and conducted a dry goods
 business at the northeast corner of
 the public square where the J. C. Pen-
 ney store is now located. Mr. Sharp
 then went back to the road continuing
 very successfully as a travelling sales-
 man. He was widely and favorably
 known in state mercantile circles.
