 Nobody was injured although Crit  
 Almon, living within a stone's throw of  
 the mine, was thrown out of bed by  
 the impact of the blast.  
 Large numbers went to the scene of  
 the explosion from miles around at-  
 tracted by the loud report.  
 Sheriff George Hitch and Prosecutor  
 Arthur S. Wilson went to Somerville  
 this morning to investigate the explo-  
 sion.

**AUTO STRIKES  
 SIDE OF HOUSE**

When Eugene Davis, of Dearborn,  
 Mich., turned the corner where High-  
 way 41 comes into north Main street,  
 about 2 o'clock this morning, he evi-  
 dently lost control of his car or mis-  
 judged the distance, and crashed into  
 the side of Frank Higgins' house.  
 The coupe Davis was driving was  
 considerably damaged and about \$10  
 damage was done to Higgins' house.  
 The car was brought to Consolidated  
 Auto company garage for repairs.  
 It was said this morning that an-  
 other man was with Davis, and that the  
 two were attempting to trade seats  
 when the accident occurred. No one was  
 injured.  
 As far as could be learned, Davis  
 and his companion were enroute south,  
 presumably on their way to Evansville.

**NAME SPEAKERS  
 FOR LABOR DAY**

Further plans for the celebration of  
 Labor day were made yesterday at a  
 meeting held in the C. L. U. hall in  
 Boonville. Mayor John W. McCarty ad-  
 dressed the meeting and pointed out  
 that every laboring man and his family  
 should attend the celebration in Prince-  
 ton.  
 James Murdoch, vice president of the  
 Brotherhood of Railway Trainmen of  
 Canada, will be a speaker on the pro-  
 gram Labor day, and M. Cliff Town-  
 send will speak in the interest of the  
 farmers.  
 Plans were made for moving picture  
 to be taken of the parade here.  
 A new bylaw of the Labor Day as-  
 sociation permits township farm  
 bureaus to be members of the associa-  
 tion and to have the same representa-  
 tion as the labor unions.
