Cincinnati Reds Coming October 6—
 Bob Wicker Wants In, Too—
 Here's Good Cheer Galore

The Washington Greys are coming! Sure thing!

They'll be here next Sunday, September 7, on a special train, and Princeton fans, and all others in this neck of the woods doubtless will turn out en masse to give the Daviess county visitors a royal welcome—and incidentally to see an exhibition of what promises to be the hottest rivalry that has been staged in this old town for many moons.

Under pressure of the demand from fans and newspapers that Princeton be given a game, the management there this morning telephoned Manager Gibson they'd like a date, and the arrangement was made for next Sunday afternoon, while Princeton will return to Washington the following Sunday, the 14th.

And that's not all the good news. Manager Gibson has booked the Cincinnati Reds for Princeton on Monday, Oct. 6.

And still there's more. Bob Wicker, of Bedford, was in telephone communication with Manager Gibson Saturday seeking a series between his fast team of near-champs and the Princeton boys, and in all probability this series will be arranged.

Princeton is going to get some real cream on the tail-end of her base ball season.

Hundreds Visited the Grounds Sunday—
 Entries Coming In at Lively Rate—Motorcycle Races

Large crowds visited the fair ground Sunday, and it looked as busy as a Tuesday of the fair, with many of the stands and other concessions up and doing business.

The grounds and building never looked better than now, and every indication is for the most enjoyable fair ever held here, though rain is very badly needed for the comfort of those who must travel the dusty country roads. Usually, the fair draws good rains Sunday or Monday, but this year this has failed. However, there will be plenty of water on the grounds.

Exhibits and entries are coming in from all directions, and every official is up to his ears in work. All entries close at noon Tuesday.

The race entries are regarded as the best ever. While the horse racing does not begin until Wednesday, there will be some real motorcycle racing Tuesday afternoon. Tuesday is Sunday school children's day, and all Sunday school children and others under 15 years of age will be admitted free. At 1 o'clock Tuesday afternoon there will be the show of match horses and mares in classes 1, 2 and 3. At 2 o'clock the motorcycle races will begin.

Wednesday will be Old Soldiers Day, when all civil war veterans and their wives will be furnished free admission.

Mother Jones to Lead the Parade and Speaking at the Evansville Celebration—In Other Cities.

LABOR DAY IN INDIANA
 Indianapolis—Parade in forenoon; celebration in afternoon.
 Evansville—Mother Jones, "angel of the coal miners," will lead parade and speak.
 South Bend—Work horse parade.
 Terre Haute—Prize fight in afternoon at ball park.
 Universal holiday.

INDIANAPOLIS, Sept. 1.—Labor took a holiday in Indiana today and practically everything stood still. The meaning of the annual Labor Day is being repeated in most of the largest cities of the state at appropriate exercises which generally followed the out-pouring of the laboring hosts in organized parades.

Evansville will take a leading part with "Mother" Jones, the aged strike leader, as its guest. The parade will meet her at the railroad station and afterward she will march at its head. The line of march leads to Garvin's park where an all-day picnic will be held. William Houston, president of District No. 11, United Mine Workers, will share speaking honors with "Mother" Jones.

Indianapolis has a monster parade and picnic. The picnic will be held in the afternoon at the state fair grounds and a good afternoon of racing is on the program. The speakers of the day are Frank Manley, of the switchman's union, and John T. McNamee, editor of the Brotherhood of Locomotive Firemen and Enginemen's Magazine.

South Bend is putting on a novelty in the way of a work horse parade. Between 150 and 200 horses will be in line with decorated wagons and floats. The labor unions helped to make the horse parade a success by not holding a separate demonstration. Business men also cooperated and furnished over 150 prizes.

Terre Haute fight fans will go out to the ball park to witness a good card of boxing. Gus Christie, of Milwaukee, is to meet Knockout Brown, of Chicago, in the main bout.

Farmers of Lake county held a pig rally in Frank Halfman's grove south of Gary today. They met under the auspices of the Northwestern Indiana Cow Testing Association. Within Gary proper the teamster's union staged a good sized parade.

A universal holiday is being observed today over the state. Mail was delivered in the early forenoon only in the larger cities, and then because yesterday was Sunday. Banks and business houses generally were closed for the day. Railroads and interurban report a large excursion traffic.

First of Two-Game Series Results in 17 to 4 Score—Second Game This Afternoon

Three Owensboro pitchers were slugged all over the lot in Coal Mine park Sunday, when the locals took the first of a two-game series from the Kentucky boys by a score of 17 to 4. The Princeton aggregation proved to be veritable "slugging kids" and the hit record shows a home run, a three-bagger, and four doubles, to say nothing of eleven singles. Three different pitchers faced the local "wrecking crew" and all of them suffered alike. Atkinson, who opened in the box for the visitors, did not last one inning, and when the first inning came to a close, through mercy shown by Umpire Smith, nine big scores loomed up for Princeton in the first game. Chapel, who succeeded Atkinson, had no better luck and in the seventh he retired in favor of a left-hander with a name that sounds like DeFar.

Johnson pitched eight innings and then retired to give Hunt, a pitching prospect, an opportunity to try out. Hunt's debut was not encouraging, but a single inning is not a fair opportunity. The visitors scored two of their four runs in the ninth and made three safeties off the recruit. In the eight innings Johnson pitched he was touched for only seven hits. The two scores made off him were due to errors and he should be credited with a shut-out victory.

The feature of the game, in addition to Johnson's box work, was the slugging record made by the locals. Pierce heads the list with a home run, a three-bagger and a double to his credit out of four times up. Baker had two two-baggers and a single out of three times up. Peters, Jennings, Weltzel and Davidson each landed safely twice, and Pitcher Johnson contributed three hits to the record. Morris and White were the only locals who did not fatten their batting average.

In the field Princeton played a strong game and Johnson was given fast support. The visitors had some costly errors. Weltzel had the misfortune to step into a hole in center field while getting under a high fly, and the ball hit his head in place of his mitt and took a nice bounce to deep center. Apparently Weltzel's head stood the shock, as he made no complaint. Nothing like having a good hard cocco.

Owensboro and Princeton played a second game this afternoon, and it is probable that there will be a close contest. The Kentucky boys can play fast ball and they are not likely to have two off days hand running.

Following are the box score and summary:

COUNTY AGENT HERE

ROY B. MARSHALL COMES TO TAKE UP YEAR'S WORK

Fair Week Will Give Opportunity for Him to Meet Many of County's Farmers

Roy B. Marshall, appointed by Purdue University, to be the farm expert for Gibson county during the year commencing today, arrived in Princeton this morning and is ready to enter upon his duties. Mr. Marshall comes from the University of Wisconsin and has had a number of years' experience teaching scientific agriculture.

Mr. Marshall will have his headquarters with County Superintendent Fisher until a permanent office can be secured. Fair week will bring the county agriculturalists to Princeton this week and it will give a splendid opportunity for them to meet and make the acquaintance of the county agent.

COMMISSIONERS MEET

Busy Monthly Session Begins this Morning—Co. Council Tuesday

The county commissioners convened this morning for the regular monthly session and held a session until 10 o'clock.

PARK BURNED OVER

MUCH DAMAGE DONE TO GRASS IN THE NORTH SIDE SATURDAY

Fire in the north side city park Saturday did considerable damage to grass, burning over a large part of the east half of the tract north of Spruce street, and over nearly all of that south of the street. Considerable brush and wood which had been cleared out recently was also burned, and for awhile nearby houses were threatened.

While some brush had been burned there recently, it is said the fire which spread and ruined the grass was started by an unknown person while no one was there to stop it.

Miss Hazel Haley, who is connected with the offices of the Taylor Manufacturing Co. in Hamilton, Ontario, arrived home Saturday night to spend her vacation with her parents, Mr. and Mrs. D. J. Haley, and other home folks.
