A large crowd saw and enjoyed the automobile races Saturday at the Gibson county fairgrounds. This was the final event of the fair which had been held here for the first time since 1914.

Qualification trials were held in the forenoon. At 2 o'clock in the afternoon the first race, a two mile dash, started the program with Byron Saulspaugh and Frank Schweigert, the two fastest drivers in the qualifying rounds, matched against one another. This was won by Saulspaugh.

There were ten starters in the second race, a five mile event. Schweigert, Mark Billman and Red Campbell finished in order.

In the third race, also a five mile event, Art Jones was first, May Caldwell second and Dick Frost third.

Seven in Last Race

The seven fastest drivers, as established in the preceding races drove in the fourth event, a ten mile race. Saulspaugh was first; Schweigert second and Red Campbell third. The time was nine minutes, 22 seconds.

In the third race there was some excitement when Dick Frost blew a tire and the car just behind was driven through the fence to avoid a smashup. But no one was hurt.

The races were capably handled by Dick Fride of Evansville, who acted as starter.

THRONGS ARRIVING FROM ADJOINING COUNTIES—GREAT ATTENDANCE INDICATED—PARADE STARTS AT 10 O'CLOCK

Unless all signs fail, one of the largest crowds that ever gathered in southern Indiana will celebrate Labor day today in Princeton and at the Gibson county fairgrounds.

The program is unusually complete and it has been worked out from start to finish with attention to every detail.

H. J. Fritz, parade marshal, will start the parade promptly at 10 o'clock and from then on the events of the day will move with clock-like precision.

Early today there was evidence that throngs were coming from the entire district. Pike and Warrick counties were joining Gibson county to make the day one of the greatest in southern Indiana labor history while many visitors were coming in from Vanderburg, Posey and Knox counties also.

Large Audience Hears Aten

Last night at the Broadway Christian church a large audience heard Fred N. Aten, international representative of the Railway Carmen, speak on the principles underlying organized labor. Mr. Aten was followed attentively and he spoke earnestly and convincingly.

Stolen Harps Are Recovered, Two Arrested

French harps stolen from G. W. Guthrie's music house, on August 9, were identified by Mr. Guthrie at the police station about 8 o'clock last night.

Yesterday morning Patrolman De Coursey had arrested Lockett and Carey, two colored youths about 18 years of age, charged with attempting to pass at the Enley drug store a \$7.50 check alleged to have been written by Dr. A. L. Zillak. The forgery was detected at the drug store. Lockett is alleged to have written it.

The arrest of another colored boy, Claude Bell, 14, by Patrolman Fox Sunday evening, was the next step. Fox obtained the French harps at this time when he got the Bell boy at his home in the northeast part of the city.

Some time later in the night Patrolman John English, who had been lying in wait, captured Chester Bell, 17, the harp. It is said, will be charged with the Guthrie theft. The two Bells say the harps were obtained from another boy.

Marching Order

The parade will be headed by the Princeton American Legion band. Many other bands will be interspersed throughout the column. The marching order will be as follows:

- Section No. 1, Building Trades, No. 355, Carpenters, Princeton.

ELEVEN KILLED IN RAIL CRASH

ST. LOUIS, Sept. 1.—(AP)—Eleven persons were reported killed and 20 injured, many of them seriously, early last night when the "Texas Special" of the St. Louis-San Francisco railroad was derailed at Orange Hills, about 10 miles west of here.

The accident occurred about 500 feet east of the Orange, Ill., station. The train, which left St. Louis at 6:20 p. m., for Ft. Worth, Dallas and San Antonio, Tex., was traveling about 60 miles an hour when the locomotive and three coaches left the rails and overturned. The other coaches also left the rails, but did not overturn, reports indicated.

Engine Crew Dead

The known dead include Engineer Ernest T. White, of Maplewood, Mo., his fireman and five persons whose bodies were removed from the first coach. Four other bodies were caught in the debris of the second coach.

Two of the coaches were completely demolished, the force of the derailment having torn two other coaches from their trucks. The track at the point of the wreck is eight feet higher than the tracks of the east-bound roadway, which adjoins.

LOS ANGELES, Sept. 1.—(AP)—Dr. E. H. Williams, nerve specialist and psychiatrist, said another physician had been called to aid in treating Aimee Semple McPherson, evangelist, who has been confined to her Malibu Beach cottage for two weeks on the verge of a nervous collapse.

"Aimee McPherson still is a very sick woman," he continued. She is making slow but gradual steps toward recovery. She is much sicker than generally is supposed, but has passed the crisis and everything is in her favor."

GOLDEN LILIES OF PAPAL COACH FINALLY FOUND

VATICAN CITY, Sept. 1.—(AP)—The golden lilies which used to adorn the papal coach, and which were lost and believed stolen 26 years ago, have been found inside the gala carriage itself after long search elsewhere proved fruitless.

An employe of the papal stables—where there are now no horses—discovered the big bronze pieces overlaid with gold leaf under a seat facing the throne, which was placed in the rear of the historic vehicle.

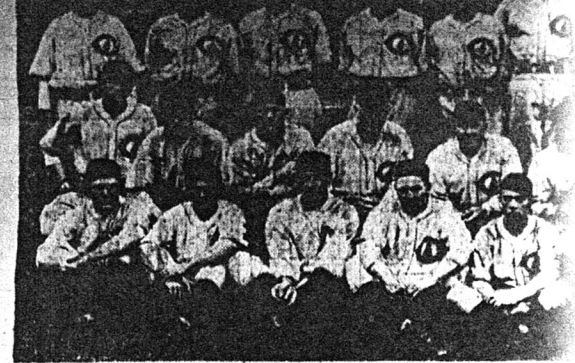

Marked by Charcoal

The "Carbonari" (charcoal burners), a secret patriotic society organized in Italy in the early part of the Nineteenth century, was so-called from the custom of the members blackening their faces with charcoal as a disguise.

Biblical Expression

The expression "You are the salt of the earth" is from the Bible. "Ye are the salt of the earth; But if the salt have lost his savor wherewith shall it be salted?" This is from Matthew, chapter 5, verse 13.
