**A Purgative Pleasure.**

If you ever took De Witt's Little  
 Early Risers for biliousness or consti-  
 pation you know what a purgative  
 pleasure is. These famous little pills  
 cleanse the liver and rid the system  
 of all bile without producing unpleas-  
 ant effects. They do not gripe, sicken  
 or weaken, but give tone and strength  
 to the tissues and organs involved.  
 W. H. Howell, of Houston, Tex., says  
 "No better pill can be used than Little  
 Early Risers for constipation, sick  
 headache, etc." Sold by F. J. Biggs.

**Interstate Meeting.**

The directors of the Interstate Oil  
 & Gas Co. held a meeting in the Ward  
 block this afternoon. A number of im-  
 portant business matters came up for  
 consideration.

diana Good Roads Association. The  
 thirty counties in the southern part of  
 the state are included in the organiza-  
 tion.

Mr. Mitchell, on the advice of Gov.  
 Durbin, was elected vice president of  
 the new association. The governor is  
 quoted as saying that to have results  
 for good roads Mr. Mitchell should be  
 made vice president.

**A QUIET LABOR DAY**

Nothing Doing Here in Way of Cele-  
 bration of the Event.

Labor day was observed quietly in  
 Princeton. The hosts of labor did  
 not have a big celebration, or a cele-  
 bration of any kind. The public was  
 deprived of getting shaved, cashing  
 checks or making deposits and get-  
 ting the mail as usual. Otherwise,  
 there was nothing to indicate that it  
 was a holiday.

Many Princeton union men went to  
 Mt. Carmel early this morning,  
 where a big celebration was held.

**Fair Ground 'Phones.**

Three telephone booths have been  
 placed on the fair grounds by the Cum-  
 berland Telephone and Telegraph Co.

Two of them are strictly private prop-  
 erty and are not to be used only by  
 parties owning the tents where they  
 are placed. The public telephone is at  
 Smoke House No. 2, and the charges  
 for connection with 'phones in the  
 city will be five cents.

**Eastern Star.**

The Order of Eastern Star will con-  
 fer degrees on a number of candidates  
 at the regular meeting Tuesday even-  
 ing. All members are urged to be  
 present at 8 o'clock sharp. Refresh-  
 ments and a good time after the work.

**Social Event.**

 ed a few friends Saturday night in  
 honor of Mr. McCoy, of Pittsburg.  
 About six couples were present and  
 spent the evening playing euchre.

eral days ago on the charge of having  
 taken part in the race riots that occur-  
 red here in the early days of July.

Martin is a negro faith healer who  
 kept quarters at First Avenue and  
 Pennsylvania street. It is said he was  
 one of the members of Bud Fruit's  
 gang and that he incited the negroes  
 to fire on white people the night of the  
 riot.

When he was arrested at Chicago  
 he refused to return to Evansville un-  
 til extradition papers had been secur-  
 ed.

**WONDERFUL PROPERTIES**

Hoosier Oil will Cure Most Anything,  
 Says "Dr." Agar.

"Dr." H. E. Agar is advancing Hoosier  
 oil into the list of cure-alls. He  
 states it is the best thing that could  
 be put on a cut or bruise on a horse.  
 It will also stop hair from falling out,  
 cure ~~badness, and would likely be a~~  
 most acceptable substitute for castor  
 oil as a lubricant.

"Dr." Agar may find, in his experi-  
 ments, that Hoosier oil is even better  
 as a hog cholera cure than his cele-  
 brated Turchper—but that is not offi-  
 cially confirmed as yet.

**Cattle Given to Haper.**

In the case of Haper vs. Turpin, a  
 suit for replevin in Justice Simpson's  
 court Saturday, the cattle in question  
 were given to Haper, together with \$5  
 damages. J. W. Brady represented  
 Haper.

**Bancrofts Here.**

The Bancroft ball team, of Evans-  
 ville, was in this city a short time to-  
 day. A game between the Bancrofts  
 and Mt. Carmel is one of the attrac-  
 tions at the Labor day celebration at  
 Mt. Carmel today.
