FIXING OF GAME

BAD ODOR IS HOVERING AROUND LAST TUESDAY'S CON- TEST

(By the United Press)
 CHICAGO, Sept. 4.—The report that players on the Chicago Cub baseball team were "fixed" to permit Philadelphia to win last Tuesday's game is under investigation by the officials of the Chicago club, William Zecek, president of the club, announced today.

Zecek said he received telegrams and long distance telephone calls before Tuesday's game started saying that large wagers were being placed on Philadelphia to win and that he put Grover Alexander in the box for the Cubs in an effort to win the game. Alexander pitched superbly but lost through poor support.

EARLY EDITION ON MONDAY

In accordance with its custom each year on Labor Day the Carion-News goes to press Monday morning with a very early edition.

the means, but if I can speak the conscience of America, we'll lead the world to outlaw war."

Generosity Toward Veterans

The candidate also declared the nation must show "practical, helpful generosity" to former soldier, adding that it was unfair to impose universal service unless there was to be an adequate expression of gratitude with the return of peace.

GOOD GAMES ARE BOOKED

HOOSIERS PLAY MT. CARMEL SUNDAY AND FT. BRANCH MONDAY

The fans are looking forward to a fast game tomorrow when the Hoosiers meet the Mt. Carmel Indians at coal mine park at 2:30. With Newton and Newberry, Princeton expects to make the visitors step some. Manager Fisher assures the public that this team is the Mt. Carmel Indians, the team it was intended to bring here before when through no fault of the local management, a pick up bunch of players was brought over.

It is true that the old Indians disbanded earlier in the season but they are now reorganized and playing fast ball. This same team beat Patoka in an 11-inning game at Patoka last Sunday, 4 to 2.

Monday, the Hoosiers play Ft. Branch, same place and same time. The Ft. Branch team has been beating all comers but nevertheless Princeton has agreed to make it winner-take-all.

Miser, Richardson and Nowsett are Ft. Branch batteries, while Day, Smith and Shoulders will perform for the locals. The visitors have good pitchers as is well known here. Miser used to pitch for Princeton and Richardson beat Princeton when he pitched for East St. Louis recently.

BACK FOR THE FAIR

Lester Misson, who has been in business, travelling through Georgia, North Carolina and Florida, is home for the fair. He reports a good deal of prosperity through the South due to good crops, good demand and good prices for cotton and tobacco. Every town entitled to one has a big fine postoffice and Wilmington, N. C., has a customs house that would do credit to any city in the country.

Just now, however, Sisson says money is tight and the going has slowed up a little.

Labor is not as plentiful as formerly in that part of the South. As one instance, colored help in the homes is not as easily obtained because the factories have taken so much of the available supply.

NOT LINENBACH

Did Not Beat Any One, Wife States and Evidence Bears Out

Mrs. Henry Linenbach stated today that there was no truth in the story that her husband had beaten or struck her. The report came about at the time of the arrest of two men recently, one of whom was said to be Linenbach, on a charge of intoxication. The report is said to have been occasioned through a similarity of names. However there is no evidence that Linenbach struck or beat any one on that occasion.

marine and came close. Attention was attracted by waving drills through the holes made by Commander Cook and men. Alanthus had no tools to enlarge the holes but saved the crew by pumping air into the S-5 by means of small water pumps. Steamer Goethals arrived. Her chief engineer with small hand tools worked on hull of S-5 eight hours to enlarge the hole. Splendid work. Large hole was ready at 3 p. m. Friday and dall officers and crew were taken off without injury. All were suffering from thirty-seven hours of bad air. Some are temporarily incapacitated.

KILLS SELF WITH GAS

EVANSVILLE, Sept. 4.—Phillip Seizer, who for more than a quarter of a century conducted a meat market here and who had been an active factor in local politics, committed suicide here at his home late Thursday night by turning on the gas in the bathroom. He had been in poor health for the past year. Seizer turned over his business

FALLS AGAINST CHAIR AND BREAKS TWO RIBS

Mrs. William Mossman slipped and fell in one of the upstairs rooms at her home, 323 north Main street, yesterday afternoon, and suffered a fracture of two ribs. She is getting along as well as could be hoped but is still suffering much pain.

Mrs. Mossman tripped as she was crossing the floor, she does not know how, and fell against the back of a chair.
