HIS HORSE WAS STOLE

Locking the stable after the horse is stolen is about as sane as a man trying to grow hair after the he bald.

If the hair root be absolutely permanent baldness will be yours and you might as well cheer up and tell your friends that it isn't so after all, as to bemoan your fate.

But if your hair is just beginning to thin out

the thought occurs to you that in a year or two you can take a seat in the balding row with being a for ere

tials, then you've got a chance, a great big chance.

If your hair is falling out or thinning out, don't wait another day to get a bottle of Parisian Sage, the efficient hair grower the world ever known.

Don't say, "It's the same old story I've heard it before," but try a little at Ed. Shoptaugh's risk.

He guarantees Parisian Sage to grow hair, to stop falling hair, to stop dandruff, and stop scalp itch in weeks, or money back.

Parisian Sage is the most invigorating hair dressing made. It is antiseptic; it kills all odors that are bound to arise from excretions of the scalp during the hot months, and everyone knows that sage is very cooling to the scalp.

Parisian Sage is a prime favorite with discriminating ladies, because it makes the hair lustrous and luxuriant. Get a large bottle from Ed. Shoptaugh for only 50 cents, or by express charges prepaid, from the American Mfg. Co., Buffalo, N. Y.

MT. CARMEL TO CELEBRATE

Will Have Splendid Labor Day Parade Next Monday.

Mt. Carmel people in the city today speak enthusiastically of the big Labor Day celebration to be given there Monday, and it promises to be the best celebration of that kind Mt. Carmel has had. Business men are taking a great interest in it, and nearly all the business houses will have floats in the big parade. It is to be regretted that a better train service can not be provided for visiting Mt. Carmel, but even as it is Princeton and Gibson county should send over quite a number of citizens for the event.

THE WAR ENDS

Light and Heat Troubles at Vincennes are Finally Settled.

VINCENNES, Ind., Sept. 3.—After a ten months' fight, which at times waged so bitterly that the best of friends became enemies, the Vincennes Light and Power Company, which has been supplying the artificial gas for the city, has bowed to the Black Hawk Light, Heat and Power Company, which furnishes natural gas, and now the latter company will be in complete possession of the field.

Best the World Affords.

"It gives me unbounded pleasure to recommend Bucklen's Arnica Salve," says J. W. Jenkins, of Chapel Hill, N. C. "I am convinced it's the best salve the world affords. It cured a felon on my thumb, and it never fails to heal every sore, burn or wound to which it is applied." 25c at Ed. Shoptaugh's drug store.

Cherry Trees Bloom Again.

on him.
 He was just going to stop drinking and dissipated, when his health became wrecked.

He was just going to provide proper protection for his wife and family when his fortune was swept away from him.

He was just going to introduce a better system into his business when it went to smash.

He was just going to call on a customer when he found his competitor had preceded him and secured the order.

He was just going to quit work awhile and take a vacation when nervous prostration came.

He was just going to repair his sidewalk when a neighbor fell on it and broke a leg.

He was just going to provide his wife with more help when she took to her bed and required a nurse, a doctor and a maid.—Success Magazine.

As for as is known at present there are forty-eight kinds of houseflies.
