

FOR MAYOR

I hereby announce myself as a candidate for mayor of the city of Princeton, subject to the will of the Republican convention or primary to select a ticket for city officers to be voted for in the November, 1905, election.

To the voters: I am well known, and if entrusted with the unlimited power conferred upon the next mayor by the new law, I will faithfully and honestly discharge the duties of said office to the best interests of the citizens of the city. JOHN W. CORDER.

The Cincinnati Enquirer makes a point that many very good people never thought of, in the following: "We may reasonably presume that the expansionists and other wicked people would find it much easier to rob the people of the Philippine Islands, Porto Rico and Guam under the sort of self-government they would be able to

BIG CELEBRATION

Labor Day at Vincennes was a Day Long to be Remembered.

Twenty thousand people visited Vincennes yesterday and participated in the great Labor Day celebration. The Princeton delegation was conspicuous in the parade and throughout the day.

Those who attended from this city speak in the highest terms of the celebration and were delighted with the hospitality of the Old Post city.

Next year Princeton will celebrate, and Vincennes, no doubt, will return the compliment by sending a big delegation here.

Finding health is like finding money—so think those who are sick. When you have a cough, cold, sore throat, or chest irritation, better act promptly like W. C. Barber, of Sandy Level, Va. He says: "I had a terrible chest trouble, caused by smoke and coal dust on my lungs; but, after finding no relief in other remedies, I was cured by Dr. King's New Discovery for consumption, Coughs and Colds." Greatest sale of any cough or lung medicine in the world. At Ed. Shoptaugh's drug store; 50 cents and \$1.00; guaranteed. Trial bottle free.

Chamberlain's Cough Remedy.

This is a medicine of great worth and merit. Try it when you have a cough or cold and you are certain to be pleased with the quick relief which it affords. It is pleasant to take and non-drowsy in its operation. For sale by Ed. Shoptaugh.
