 "Old King Station."**

**Special correspondence.**

**KING, Ind., Sept. 8.**—A very pleas-  
 ant event of the week was a flinch  
 party, given by the Misses Spore, in  
 honor of Misses Clara and Bertie Keil,  
 of Evansville, who are here visiting  
 their uncle, John Zwissler.

At the close of a very interesting  
 evening, ices, cakes and fruits were  
 faultlessly served. The tables were  
 handsomely done in green and pink,  
 the same colors being carried out  
 through all the rooms used for the en-

# MISSION FEST HELD

**ST. PAUL'S G. E. CHURCH HAS  
 NOTABLE GATHERING.**

**Immense Concourse of People At-  
 tending the Mission Services and Par-  
 take of the Feast.**

**Special correspondence.**

**FT. BRANCH, Ind., Sept. 8.**—The  
 German Evangelical St. Paul's church  
 held its biennial mission fest Sun-  
 day. Preparation had been going on  
 for several weeks to make the occa-  
 sion a notable one. And indeed, if at-  
 tendance be a standard by which to  
 judge success the meetings may be  
 termed successful ones. All through-  
 out the past week people arrived here to  
 visit in the neighborhood until after  
 the event Sunday. There were quite  
 a number from Evansville, Lynnville,  
 Howell, and even some from Chicago.  
 Sunday morning from half past seven  
 o'clock until high noon vehicles of all  
 kinds and styles, wagons, buggies, ex-  
 press wagons, carts, bicycles and  
 what-not, arrived on the grounds, fil-  
 led with people bent on enjoying the  
 services, meeting the crowd or getting  
 a square meal. There were besides  
 those who came during the past week  
 several who came to Ft. Branch by  
 train Sunday morning. Then there  
 were visitors from Buckskin, Warren-  
 ton, Elberfeld, Francisco, Ft. Branch,  
 Inglefield, Lynville, Princeton, etc.  
 The mission services were opened in  
 the Sabbath School. Rev. J. H. Horst-  
 man, of Buckskin, discussed the day's  
 lesson with the whole school. He laid  
 special stress on its adaption to the  
 cause of missions. At ten o'clock the  
 building was filled to overflowing and  
 the morning service began. Rev. J. G.  
 Rausch, of West Salem, Ill., the ven-  
 erable founder of the congregation,  
 was present and conducted this ser-  
 vice. Rev. P. Repke, of Huntingburg,  
 delivered the sermon. The local choir  
 sang several choice selections in this  
 as well as each of the other meetings.  
 About twelve o'clock the crowd as-  
 sembled in the grove north of the  
 church to partake of the good things  
 the women of the congregation labor-  
 ed to prepare so faithfully during the  
 past week.

The intermission between the morn-  
 ing and afternoon services was passed

**Marchers in Uniform.**  
**PITTSBURG.**—Probably 20,000 marchers were in the parade. Each body was clad in some neat and attractive uniform, which gave the parade a spectacular effect. At the mass meeting addresses were made.

**Record in Two States.**  
**DENVER, Colo.**—The local celebration of Labor day exceeded all former demonstrations of the kind in Colorado. More than 6,000 workmen marched in the parade.

**Features of Other Cities.**  
**NEW HAVEN, Conn.**—Organized labor in Connecticut paid more attention to the observance of Labor day than in any previous year, and in the larger cities the holiday was made a general one.

**BOSTON.**—Two parades, Knights of Labor, 5,000; unions, 25,000. Reviewed by Governor Bates and Mayor Collins.

**ST. LOUIS.**—40,000 men in line and 15,000 in East St. Louis.

**KANSAS CITY.**—20,000 in line.

**SAN FRANCISCO.**—40,000 in the parade.

**CLEVELAND.**—The feature of the celebration of Labor day in this city was the parade, which was by far the greatest demonstration of the kind ever witnessed in Cleveland. It is estimated that 25,000 union men were in line.

**VINCENNES.**—Hon. F. B. Posey, of Evansville, delivered the principal labor day address. Factories and stores were closed and business was entirely suspended.

**GASTRITIS.**  
Caused by Some Irritant Acting Upon the Mucous Membrane of the Stomach.

Inflammation of the stomach, gastric catarrh or gastritis, as this unpleasant affliction is variously called, may, like most inflammatory diseases, be acute or chronic in its course. The symptoms of gastritis are, more or less fever, weak pulse, loss of appetite, coated tongue, foul breath, bad taste in the mouth, the head aches dully. There is a sensation of weight or distress in the stomach. Gastritis is caused by some irritant acting on the mucous membrane of the stomach, by the fermentation of indigestible food. Gastritis will never develop if you take regularly Dr. Caldwell's Syrup Pepsin, the guaranteed cure for indigestion, constipation, and all diseases arising from stomach trouble. Dr. Caldwell's Syrup Pepsin is an all year round medicine. Good for the whole family from the smallest infant up. It is the best life insurance. Sold by F. J. Biggs in 50c and \$1.00 bottles.

**Valuable Trick Horse Saved—In 1885 Phenix Joe, a celebrated trick horse of that day, was seriously injured at a fire and had every hair on his body burned off. As they were about to shoot him to get him out of his agony a liveryman applied a "certain liquid" which seemed to do him good from the start. In a few weeks every hair had returned and he looked none the worse for his close call from death. They named that "certain liquid" Phenix Oil. It's this Phenix Oil that you hear so much about in connection with horses' ills. F. J. Biggs.**

**Mayor White's Court.**

Abe Montgomery is booked to appear before Mayor White at 1:30 this evening on a charge of misdemeanor.

causes sick headaches, stomach and bowel troubles. Take Dr. Caldwell's

church to partake of the good thing the women of the congregation labored to prepare so faithfully during the past week.

The intermission between the morning and afternoon services was used for social intercourse and as every body and his friends were there, there was no lack of familiar faces.

At two o'clock in the afternoon services began, Rev. Horstman leading in the same. Rev. Henry F. Grefe, of Princeton, espoused the Chinese mission cause in English and Rev. J. Reller, of Elberfeld, spoke on Home missions in German.

At 7:30 o'clock a fairly large crowd had gathered to see the close of the festal day. Rev. Repke led this service and Revs. Horstman and Rousch preached. At 9:30 o'clock "good byes" were said and the people of St. Paul's congregation with their friends went home conscious that such a day must be conducive of blessings as well upon the hearers as upon the speakers, the givers as well as the recipients. The collection amounted to one hundred and twenty-eight dollars.

**The Proper Treatment for a Sprained Ankle.**

As a rule a man will feel well satisfied if he can hobble around on crutches two or three weeks after spraining his ankle, and it is usually two or three months before he has fully recovered. This is an unnecessary loss of time, for in many cases in which Chamberlain's Pain Balm has been promptly and freely applied, a complete cure has been effected in less than one week's time, and in some cases within three days. For sale by Ed Shoptaugh.

**Preparations Complete.**

The management of the Tri-State Old-fashioned Country fair at Evansville, Sept. 14-19, announce that all preliminary arrangements have been completed for the great meeting. The railroads within a radius of seventy-five miles offer half rates during the week. Among the special attractions secured are: Barnes' Famous Diving Elks, which made a hit all over Europe last year; Forest Tempest, the wonderful educated horse; White & Lamart's Comedy hit, the "trick" bill board and seventeen other free attractions, which will be given in front of the grandstand in full view of all. The races will be the best ever given there and taken all together the exhibition will be great. The admission is only 25 cents and no extra charge for seats or hitching. A novelty entertainment will be given at night for 10 cents admission. Quite a crowd will go from this place during the week.

**His Life Saved by Chamberlain's Colic, Cholera and Diarrhoea Remedy.**

"B. L. Byer, a well known cooper of this town, says he believes Chamberlain's Colic Cholera and Diarrhoea Remedy saved his life last summer. He had been sick for a month with what the doctors call bilious dysentery, and could get nothing to do him any good until he used this remedy."
