## LABOR DAY PLANS

### ADVANCE RAPIDLY

SEVERAL BANDS AND TWO SPEAKERS OF NOTE ARE SIGNED UP

Plans for the staging of the annual Labor day celebration at the fairgrounds here, Monday, September 3, are rapidly being completed by the committees from the local unions.

W. H. Settle, Indianapolis, president of the Indiana Farm Bureau and Leon Worthall, Indianapolis, international organizer for the International Barbers union, have been secured as speakers for the day. There will be one other speaker, as yet unannounced.

The Petersburg and Patoka bands have been signed to furnish music for the day and the free attractions. There will possibly be three other bands, furnished by local unions.

The contract for the installing of amplifiers in the grand stand is signed.

Merchants who wish to enter floats in the parade are asked to see Henry Fritz, parade marshal, as soon as possible to make their entries for the parade.

Parade captains will meet at 10:30 o'clock Sunday morning, August 23, in the C. L. U. hall to finish plans for the parade.

All committees met at 7:30 o'clock Tuesday night in the C. L. U. hall at Oakland City, to further plans for the celebration. Many contracts were signed up at this meeting.

## CITY PAYS RESPECT TO LATE FIRE CHIEF

The funeral service for the late George A. Mosman, chief of the Princeton fire department and a prominent citizen, was largely attended this morning, in the First Methodist church. Members of the city administration, members of the fire department, fraternal brothers and a large concourse of friends gathered to pay their last tribute of respect.

Members of the city administration, headed by Mayor Ennes, were the

## GROUNDING STEAMER FINALLY FLOATED

NEW YORK, Aug. 15. — (AP) — The Munsin line passenger steamer Munsin, which went aground near Great Abaco, Bahamas, last Sunday, was floated yesterday and has arrived at Nassau, officials of the line said today.

The steamer, from which the passengers had been removed on Monday, will remain at Nassau pending an examination to ascertain possible damage. She was bound from Miami to Nassau when she struck in a storm.

## HEAVY VOTE IN OHIO PRIMARY

DRY CANDIDATES APPARENTLY VICTORIOUS ON G. O. P. TICKET.

COLUMBUS, O., Aug. 15. — (AP) — Stripped by wet and dry issues, Ohio voters cast a record number of 850,000 ballots in yesterday's primary election. Candidates supported by the Ohio Anti-Saloon League for state offices apparently were victorious in most instances on the Republican ticket, while the Democratic fight saw league endorsed candidates defeated for the majority of the posts.

## FLOOD WARNINGS ARE BROADCAST

RIVERS OVERFLOW AS STORM SPENDS FORCE IN TORRENTIAL RAINS

ATLANTA, Ga., Aug. 15. — (AP) — Flood warnings were broadcast to inhabitants of a half dozen river valleys today as the tropical storm spent its force in torrential rains over Georgia and Alabama.

One person was known to have been killed, many communities were isolated and rail, highway and telephone communications were disrupted through a wide area.

Charles Blackley, wealthy Rabun county negro, was killed this morning when he attempted to remove from the path of his automobile a live wire blown down by the storm on the highway between Cornella and Clayton, in

## TIRE TORN

THREE PAIRS IN V

Three pairs of tires stolen last night from two pairs of garages and a car which were in the care of Thieves. Rev. Pink, rolled his car removed a spare some on the garage admittance. The garage south Princeton two tires wheels of Bl at this place. Two tires long to parked near ping associa
