Coroner W. B. Ashby Exercises Authority Over Sheriff

Oakland City Journal.

In proceedings to secure release of property held by the sheriff on execution Dr. W. B. Ashby, coroner, had his first opportunity last week to exercise the authority that the county coroner holds to serve legal papers on the sheriff.

Sheriff Joe Barton was in this city when Dr. Ashby boldly approached and read the papers to him. But the matter was easy, since the sheriff had requested that the proceedings be brought against him in order that he might legally dispose of the property in question.

It is rare that a county coroner is called upon to perform this duty of his office.

Mr. and Mrs. John Wehrly, of St. Louis, are visiting Mrs. Wehrly's sisters, Mrs. Ernest Reeves, in West Monroe street.

HUMBURG CIRCUS

The Elks Original Humburg Circus will positively appear, rain or shine, in Princeton Friday night, September 1st. The circus lot will be on the Lowell school grounds. The big parade will appear in the business section at six o'clock Friday evening. The parade forms at the show grounds and will move north on Hall street to Broadway, east on Broadway to Main, north on Main to State, west on State to Hall, south on Hall to show grounds. Get your supper early and witness this grand pageant. Immediately after the parade the side show will be open for visitors, the greatest side show ever seen in Princeton. The main performance will begin promptly at eight o'clock, preceded by a band concert at 7:30. Following the main performance will come the concert. One of the many features of the concert will be a ladies' "style show" with all the latest creations of the modist's art displayed on living models. Admission to big show, 25 cents; side show, 10 cents; concert, 10 cents.
